

**Shortening Filling Line
For 25 to 50 pound boxes**

There were 2 identical lines back-to-back, only one left. Includes all connecting conveyor and photo eye controls.

Item: 4503

Complete automatic filling line for 25 to 50# boxes of shortening or margarine. Includes hot melt case erector, bag inserter, dual head filler, hot melt case sealer, and Kronos Cartina labeler. The line ran 15,000 pounds per hour shortening; it is laid out in straight line approx 85 feet long, but can be configured into a U design.

Filler: Cherry Burrell volumetric dual head filler - used for viscous materials such as shortening or margarine. Has single cylinder 12 in dia x 48 in long. Automatic operation, load cells. Also has hydraulic actuator for volume adjustment.

Labeler: Kronos Cartina box labeler, serial 8-056. Built 1981. Includes belt conveyor 7 ft long.
